GASOLINE ENGINE OIL

B5 GASOLINE ENGINE OIL

SAE: 0W-20 API: SP

B5 Innovative oil formulated from premium quality base stocks combined with modern performance additives to give your engine the protection and the performance you expect under a wide variety of operating conditions. It is recommended for all high performance gasoline engine cars equipped with direct-injection, multi valve & turbo charger technologies

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

B5 GASOLINE ENGINE OIL

SAE: 5W-30 API: SP

B5 5W30 Advanced FULLY SYNTHETIC engine oils designed to help deliver outstanding engine protection. Designed to provide improved oxidation resistance, improved deposit protection, better wear protection, enhanced fuel economy and excellent low temperature performance over the life of the oil.. It provides maximum protection in engines operating under severe conditions. including high-performance turbo-charged. supercharged gasoline engines.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

B5 GASOLINE ENGINE OIL

SAE: 5W-40 API: SP

B5 5W40 Advanced FULLY SYNTHETIC engine oils designed to help deliver outstanding engine protection. Designed to provide improved oxidation resistance, improved deposit protection, better wear protection, enhanced fuel economy and excellent low temperature performance over the life of the oil.. It provides maximum protection in engines operating under severe conditions. including high-performance turbo-charged. supercharged gasoline engines.

GASOLINE ENGINE OIL

B5 GASOLINE ENGINE OIL

SAE: 10W-40 API: SN

B5 10W-40 engine oil is a passenger car mineral oil with Engine Clean Technology, which offers a combination of powerful antioxidants and cleaning agents, ensuring engine durability. The blend of engine oil and enhanced lubrication properties safeguards engines against wear. It maintains a consistent level of protection, ensuring engines operate at their best. This product is a superior choice for drivers seeking robust engine oil that excels in varied conditions

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

B5 GASOLINE ENGINE OIL

SAE: 20W-50 API: SL

B5 engine oil offers exceptional performance in a range of driving conditions. Its full synthetic formula ensures efficient operation of modern engines, providing both power and protection. This oil is particularly suited for vehicles operating in extreme conditions, where engine stress is heightened.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

DIESEL ENGINE OIL

B5 DIESEL ENGINE OIL

SAE: 15W-40 API: CI-4

B5 15W-40 CI-4 is a heavy-duty diesel engine oil formulated for high-performance commercial engines. Engineered with advanced additives to provide excellent protection against wear, deposits, and oxidation. Meets API CI-4 specifications, making it suitable for modern EGR-equipped and turbocharged diesel engines. Ensures longer drain intervals and maintains engine cleanliness under severe conditions. Recommended for trucks, buses, construction equipment, and other heavy-duty diesel applications.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

B5 DIESEL ENGINE OIL

SAE: 5W-30 API: SP

B5 15W-40 CH-4 is a high-quality diesel engine oil designed for a wide range of heavy-duty applications. Formulated with refined base oils and performance additives to protect against wear, deposits, and corrosion. Meets API CH-4 specifications, suitable for turbocharged and naturally aspirated diesel engines. Delivers reliable performance in high-temperature and high-load operating conditions. Ideal for trucks, buses, agricultural machinery, and off-road diesel equipment.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

B5 DIESEL ENGINE OIL

SAE: 5W-40 API: SP

B5 5W40 20W-50 CI-4 is a high-quality diesel engine oil designed for heavy-duty diesel engines. Formulated with refined base oils and robust additives to ensure excellent wear protection and engine cleanliness. Meets API CI-4 specifications, suitable for engines with or without EGR systems. Provides reliable performance under high temperatures and extended drain intervals. Ideal for commercial trucks, buses, agricultural, and construction machinery operating in tough condition.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

DIESEL ENGINE OIL

B5 DIESEL ENGINE OIL

SAE: 15W-40 API: CI-4/SL

B5 15W-40 CI-4/SL is a heavy-duty multigrade engine oil formulated for high-performance commercial engines. Engineered with advanced additives to provide excellent protection against wear, deposits, and oxidation. Meets API CI-4 specifications, making it suitable for modern EGR-equipped and turbocharged diesel engines. Ensures longer drain intervals and maintains engine cleanliness under severe conditions. Recommended for trucks, buses, construction equipment, and other heavy-duty diesel applications.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

B5 DIESEL ENGINE OIL

SAE: 20W-50 API: CI-4/SL

B5 20W-50 CI-4/SL is a heavy-duty multigrade engine oil formulated for high-performance commercial engines. Engineered with advanced additives to provide excellent protection against wear, deposits, and oxidation. Meets API CI-4 specifications, making it suitable for modern EGR-equipped and turbocharged diesel engines. Ensures longer drain intervals and maintains engine cleanliness under severe conditions. Recommended for trucks, buses, construction equipment, and other heavy-duty diesel applications.

TRANSMISSION OIL

B5 TRANSMISSION FLUID

DEXRON-IV

B5 ATF Dexron IV is a high-performance automatic transmission fluid formulated for modern vehicles. It ensures smooth, reliable shifting and excellent friction stability under all driving conditions. Enhanced with advanced additives, it provides superior wear protection and anti-foaming properties. Outstanding thermal and oxidative stability extends fluid life and transmission performance. Compatible with a wide range of automatic transmissions requiring Dexron IV specifications. Ideal for both passenger and commercial vehicles seeking long-lasting, dependable operation

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

B5 TRANSMISSION FLUID

DEXRON-III HI-VI

B5 DEXRON III is a fully synthetic automatic transmission fluid formulated with premium, severely hydro processed base stocks and additives that helps provide oxidation and thermal stability, friction control, load carrying ability, corrosion and wear protection. It helps protect against the formation of deposits, sludge, varnish, foam and provide outstanding durability.

GEAR OIL

B5 GEAR OIL

SAE: 75W-90 API: GL-5

B5 Innovative oil formulated from premium quality base stocks combined with modern performance additives to give your engine the protection and the performance you expect under a wide variety of operating conditions. It is recommended for all high performance gasoline engine cars equipped with direct-injection, multi valve & turbo charger technologies

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

B5 GEAR OIL

SAE: 85W-140 API: GL-5

B5 GEAR OIL 85W140 Multi-grade Heavy Duty Gear oil, formulated with the multiple additives and blended using latest technology; provides superior lubrication for gearboxes and axle. Suitable for multi-purpose transmission oil for synchronized and non- synchronized transmission and for axle. Transmission, transfer case, intermediate gear boxes, ancillary transmission applications. It can be used in all weather conditions

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

GEAR OIL

B5 GEAR OIL

SAE: 80W-90 API: GL-5

B5 80W-90 GEAR OIL is an extra high performance automotive gear lubricant specially developed for use in modern high-performance passenger cars, sports utility vehicles, vans and light-duty trucks with limited slip differentials. It is manufactured from premium quality base oils and advanced performance additives to provide exceptional protection against thermal degradation.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

B5 GEAR OIL

SAE: 140 API: GL-4

B5 140 Gear Oil is a mineral oil based lubricant formulated for use in a wide range of automotive, plant, agricultural and industrial transmission systems. This grade has a high level of extreme pressure (EP) additive that provides effective gear protection over a range of temperatures and shock load conditions. EP 140 Gear oil will also protect components from rust and corrosion.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

B5 GEAR OIL

SAE: 90 API: GL-4

B5 90 Gear Oil is a mineral oil based lubricant formulated for use in a wide range of automotive, plant, agricultural and industrial transmission systems. This grade has a high level of extreme pressure (EP) additive that provides effective gear protection over a range of temperatures and shock load conditions. EP 90 Gear oil will also protect components from rust and corrosion.

HYDRAULIC OIL

B5 HYDRAULIC OIL

AW-10

B5 Hydraulic AW-10 is a high performance anti-wear hydraulic oil specifically formulated from selected base oils and a proprietary additive system to provide well balanced performance in a range of applications. Manufactured from a high quality of virgin base oils combined with anti-wear additives and rust inhibitors, to provide high stable premium hydraulic fluids with quality reserve for excellent performance under severe operating condition in mobile industrial service. Designed to provide easy and long-life performance

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

B5 HYDRAULIC OIL

68

B5 Hydraulic oil 68 manufactured from high quality base oils combined with anti-wear additives and rust inhibitors, to provide highly stable premium hydraulic fluids with a quality reserve for excellent performance under a severe operating condition in automotive and industrial applications. Blended with high quality additives to improve corrosion protection.

AVAILABLE PACKS

1L, 4L, 5L, 20L, 25L, 208L, Bulk

B5 HYDRAULIC OIL

46

B5 Hydraulic oil 46 manufactured from high quality base oils combined with anti-wear additives and rust inhibitors, to provide highly stable premium hydraulic fluids with a quality reserve for excellent performance under a severe operating condition in automotive and industrial applications. Blended with high quality additives to improve corrosion protection.

BRAKE FLUID

B5 BRAKE FLUID

DOT-4

B5 brake fluid DOT – 4 is a heavy-duty brake fluid, contains antioxidant, and corrosion inhibitor to ensure long service life of brake fluid and brake components. Due to high boiling point, it does not give vapor lock problems in high temperature working conditions. It's extremely high boiling point reduces impact of moisture absorption, delays onset of vapor lock and improves reliability and safety of braking system under extreme driving conditions.

AVAILABLE PACKS

250ML, 500ML, 1L, BULK

B5 BRAKE FLUID

DOT-3

B5 brake fluid DOT – 3 is a heavy-duty brake fluid, contains antioxidant, and corrosion inhibitor to ensure long service life of brake fluid and brake components. Due to high boiling point, it does not give vapor lock problems in high temperature working conditions. It's extremely high boiling point reduces impact of moisture absorption, delays onset of vapor lock and improves reliability and safety of braking system under extreme driving conditions.
